Dear Mr. Squillante,

I've wanted to tell you this for a long time. I've used many different types of advertising, some with more success than others, but yours truly does what you said it would do. I was in the bank the other day making a deposit and the branch manager approached me saying he saw my ad on a taxi as he and his wife were on their way to the movies.

Feel free to call me any time you'd like a good recommendation.

A handwritten signature in black ink that reads "Russell Bruce Moncrief". The signature is fluid and cursive, with the first name "Russell" being the most prominent.

Sincerely,
